Directions

Singapore to Tanjung Leman using Woodlands Causeway

1. Pass through customs checkpoint (Woodlands causeway) and follow temporary exit route, due to the roadworks.
2. After you have exited the detour move over to the right lane and take the first u-turn heading back towards the causeway.
3. You are now in Jalan Wong Ah Fook.
4. Jalan Wong Ah Fook will lead you through Johor Bahru City passing City Square shopping mall on your right. Look out for the overhead Bridge with the sign 'Kota Tinggi - Desaru'.
5. Follow this sign and this will take you onto Route 3. Keep on this road following the signs to Kota Tinggi and Mersing.
6. Route 3 will lead you through a small town called Ulu Tiram, keep going straight.
7. You will hardly notice when you pass by Kota Tinggi as the road bypasses out of the town. However there will be a traffic light whereby a left turn takes you to Kota Tinggi town and a right turn to Desaru. Keep going straight towards Mersing.
8. After about 40 minutes drive from the traffic light / Kota Tinggi junction, you will notice signs for Tanjung Leman, Sibul Island.
9. Take a right hand turn into the check point for Tenggorah Plantation (palm oil plantation). On the corner of the turn-off you should see a taxi stand for long distance cabs (blue cabs). Pass through a police check-point onto the Plantation Road.
10. Tanjung Leman Jetty is about 28km further from this point, when you are about 13km away from the jetty you will see a sign for Pulau Sibul Island, Tanjung Leman Jetty. Take a left turn. Continue on till the end of the road.

At the end of the road turn right into the entrance of Tanjung Leman Jetty car park.

Our boat will be waiting to bring you to the resort.

You can now start relaxing - you're on island time.
